Please Join Us...

at a meeting to discuss how we can ensure West Springfield children have access to free meals during the summer months. As you may know, more than 1,500 West Springfield children are eligible for free or reduced-price school meals. When school is out, families with tight budgets cannot absorb the additional meal costs. As a result, many kids may experience hunger during the summer months and return to school at a disadvantage.

Working together, we can ensure every child in West Springfield has access to free meals during the summer months and returns to school in the fall ready to learn.

Please R.S.V.P. to:

Christina Jordan at 617-239-2539 or
Christina_Jordan@projectbread.org

Feel free to extend this invitation to anyone else you think might be interested.
