

FOOD that's IN, when school is OUT!

The USDA's Summer
Food Service Program

Kids 18 and under can enjoy free activities and meals at sites across all summer long! The Summer Food Service Program is a safe, fun way for children to get nutritious meals when school is not in session and it's easy to participate since no registration or identification is required.

So stop by for food, friends, and fun!

The USDA Summer Food Service Program prohibits discrimination because of race, sex, color, national origin, age, or disability. Administered by the Massachusetts Department of Education.
