

## **FOOD that's IN, when school is OUT!**

The USDA's Summer  
Food Service Program

Kids 18 and under can enjoy free activities and meals at sites across all summer long! The Summer Food Service Program is a safe, fun way for children to get nutritious meals when school is not in session and it's easy to participate since no registration or identification is required.

**So stop by for  
food, friends, and fun!**

The USDA Summer Food Service Program prohibits discrimination because of race, sex, color, national origin, age, or disability. Administered by the Massachusetts Department of Education.
